NOTICE OF CLAIMS

This Notice of Claims is being served on the debtor(s) and the attorney for the debtor(s) so that they may review and determine whether any claim should be objected to, whether the debtor(s) should file a claim for any creditor that has failed to file a claim, and whether the debtor(s) plan should be modified due to the claims that have been filed.

Payments on these claims are being made or will be made in accordance with the terms and conditions of the debtor(s)' confirmed Chapter 13 Plan. These payments shall continue unless an objection to the claim is filed by a party-in-interest with the U.S. Bankruptcy Court and is served on the Chapter 13 Trustee.

If an objection to claim is filed, the Trustee will cease making payments on that claim and accrue said funds. If the objection to claim is not resolved or set for hearing within ninety (90) days, the Trustee shall resume making payments on the claim without further notice.

The Trustee will not retrieve properly disbursed funds. Any claimants requesting retrieval of disbursed funds must obtain a Court order. Such requests must be in accordance with Federal Rules of Bankruptcy Procedure 9013 and 9014.

The claims listed and the amounts reflected in the Notice of Claims are subject to change at any time. The amount necessary to pay all properly filed claims as detailed in the Confirmed Chapter 13 Plan is subject to final audit and review prior to completion and issuance of any final discharge.

THE DEBTOR SHOULD THOROUGHLY REVIEW THIS LIST OF CREDITORS AND THE AMOUNT OF THEIR CLAIMS.

Any questions relating to this Notice should be referred to the debtor's attorney.
